

Impruneta

Florence - Tuscany

Impruneta is a typical “Casa Colonica” of the 16th century, situated in a panoramic position on top of a hill embedded in olive groves. During the recent renovation, great effort was made to retain the original style and structures in form and size. Villa Impruneta is located about a mile from Florence, and its warm hospitality, intimate atmosphere and the dreamy silence of the Tuscan hills promise an unforgettable vacation.

The estate features the main villa for up to 10 pax and 3 small cottages (one for 2 + 1 people, two for 2 people). A typical Florentine structure, the villa has been totally renovated using original materials and many beautiful antiques and art pieces, bringing the original features to life again. Maximum capacity of the whole property, if rented for exclusive use: 17 people.
